

CrushGrind®
The World's *BEST* Mills!

Too many people buy mills that do not work or function properly, until they buy CrushGrind®.

Did you know that?

- CrushGrind® has a 10 year mechanism guarantee
- CrushGrind® has a fully adjustable grinder – from fine to coarse with over 12 fixed positions.
- CrushGrind® is easy to fill – no spindle.
- CrushGrind® ceramic mechanism is non rust, non porous. Unlike metal, it will not oxidise food.
- CrushGrind® grinds virtually everything from pepper and salt to whole dried herbs and spices.
- CrushGrind® is tested to 200 years domestic use.

Milling made easy

The mills high tech spiral blades are produced by a three - dimensional process, engineered to give a much higher yield than conventional grinders that are compressed moulded. The mills also have a closer, smoother grind from coarse to fine.
